Ask a lot of questions by phone. All questions are to be directed to only our ecommerce phone number 888-637-9638. All products displayed here and on Pickup Daddy's Facebook page are sold 100% AS-IS and there are no returns, refunds, or price concessions made. Once you pay for the product by phone you will be allowed to pick up your item (s) at our warehouse in Baxter MN with a pre-paid "will call" ticket. We do not ship clearance inventory. If you require shipping, you must arrange to ship on your own. Once you pay for an item(s) and all transportation and pick up is your responsibility. Please understand all terms before you buy. We will be as transparent and fair as possible on condition, description, fitment, and all policies related to this clearance inventory. These products are heavily discounted to move quickly and maybe in less than new and used condition.
